Worksheet 2

Extend your apps!

Extend your apps!

- For this worksheet, you should work in **pairs**.
- The first thing to do is discuss how you got on with worksheet 1.
- If either of you is still working on worksheet 1, you should work together to get it finished.

Extend your apps!

- Return to the apps you made for worksheet 1.
- Now it is your chance to extend them by adding new features to make them better.
- Write down your ideas in some way before you get started.
- It is up to you if you choose to extend all three apps with little things, or only one app with one big feature.
- Remember, you will only be able to demo the iOS apps in the school, but you can demo your Android apps at home.

Worksheet 3

Create your own apps!

Create your own apps

- Now it's your turn to make your own apps.
- You are free to do whatever you like for this worksheet, and you are encouraged to try out as many features of Thunkable as you can.
